MAJOR LEAGUES FIGHT
FOR PITCHER VAUGHAN

Ban Johnson and Garry Herrmann Spring Arrivals.

NEW YORK, Aug. 21.—It would appear that the case of Pitcher Vaughan, which has aroused considerable feeling between the two major league clubs, has not reached an end. The New York American League club, which maintains that it has a legal claim to Vaughan's services, will resist any attempt to take the player away from it.

It is said that President Ban Johnson will soon receive an affidavit signed by Vaughan to the effect that he was told that the national commission would award him to the Louisville association club, which would then turn him over to Cincinnati.

But the New York American club has documentary proof meanwhile, it is said, that Vaughan was never released to the Macon club, which sold him to Louisville and to Brooklyn. It is further contended by the New York club that Garry Herrmann, owner of the Cincinnati club, according to baseball precedent, should have voluntarily declined to vote on Vaughan's release and should have left the matter entirely to the judgment of Johnson and President Heydler.

HEAVY BETTING ON
BINGHAM-NAMPA GAME

Special to The Tribune.

BINGHAM, Aug. 21.—One of the most important baseball games of the season will be played in Bingham Sunday afternoon, when the Bingham Commercial meets the Yampa Smelters. The rivalry between the two teams is intense, and the enthusiasm of the backers of each team is shown in the fact that more than \$8000 has been wagered on the result.

The Bingham Commercial and Yampa Smelters played last Sunday, but rain stopped the game, and hostilities were postponed until this afternoon, when the game will go on from the third inning, as it was at this point that the game was stopped last Sunday, and it was agreed that today's game should finish the former one.

Markets of Salt Lake City will come up to umpire the game.

CHICAGO WINNER IN
THE ALL-STAR MEET

SAN FRANCISCO, Aug. 21.—Chicago carried off the honors at an all-star athletic meet in the stadium here today, defeating the Olympic club by four points. Chicago scored 55 points; Olympic, 49; New York, 37, and Boston, 10.

Two records were broken, one by Ralph Rose of the Olympic club, throwing the 16-pound shot 51 feet 3.5 inches, breaking his record made at Seattle, and the second by Joseph Horner of the Chicago Athletic Association, who hurled the javelin 149 feet, but as an official javelin was not used, this record was not allowed. The individual hours of the meet were divided by Rose and Horner, each scoring 14 points. The most exciting event was the one-mile relay race, in which Chicago was barely nosed out by New York through the running of Noble of the New York team.

\$3,000.00 will buy one of these modern bungalows in Hamilton place, close to the business district.

And you need not pay cash. We will take \$500.00 down and the balance in monthly payments—no more than rent would be.

FOR EXAMPLE.

You buy a place for.....	\$3,000.00
You pay down.....	500.00
Leaving balance due.....	\$2,500.00
Your monthly payment is.....	\$30.00
Your monthly interest is.....	7.20

The amount applied monthly on principal is.....\$22.71

This means that in 110 months, by paying just the amount the house would rent for monthly, you have your home fully paid for. The only money you have actually invested in it is \$500.00, and you are the owner then, free and clear, of a property worth \$3,000.00 to start with, and which has undoubtedly increased in value by the growth of the city and the improvements you have made.

These bungalows may be purchased from us or from any first-class real estate dealer in the city. Prices, \$3,000.00 to \$3,700.00, according to location.

Stis Goes to Toledo.

HELENA, Mont., Aug. 21.—Charles Stis, captain of the Helena team of the Inter-Mountain league until it recently disbanded, today accepted an offer from the Toledo club of the American association to play second base, and will leave on Monday for Toledo. It was mainly through the influence of Manager Jack Huston of the Inter-Mountain league that Stis received the offer. He had been made some flattering propositions from other teams, but preferred the Toledo offer.

Stis first entered professional baseball in 1906, when he played with the Springfield team.

Swimming Records Broken.

PHILADELPHIA, Aug. 21.—Two records of the Middle Atlantic association for the Amateur Athletic Union were broken today in the annual swimming championship. MUNICIPAL GRAFT IN MONTREAL IS UNCOVERED

MONTREAL, Aug. 21.—Testimony showing that the city of Montreal has lost millions of dollars in contract work, and that official positions of all kinds have been bought and sold for years, has been brought out by the investigation into the city's civic affairs begun by the provincial government. The investigation has covered the administration of the police, fire and public works departments, each of which is controlled by a committee of aldermen with an administrative chief.

In the fire and police departments, it is alleged that the appointments were bought and sold at a price of \$200 each.

In the public works department sworn testimony showed that the lowest bidders were ignored and the contracts awarded to higher tenderers, who had a pull with a certain middleman who conducted negotiations between the aldermen and the contractors. On contracts let this year totaling \$600,000 the excess price, it is charged, amounted to \$150,000.
